1. Reference is made to CIA Notice, No. 10-53, dated 15 January 1953, same subject as above. That notice simply directed attention of all employees to

2. Since the notice did not reach all employees prior to the time that they filed returns, it has come to our attention that some employees had filed returns indicating employment as CIA. In at least one case an effort was made to have the return mailed back to the employee, but without success.

3. For future reference, it is suggested that upon distribution of the W-2 forms a notice of this type be included in order to give timely warning of the appropriate method of indicating employment.
